## CORE CAPABILITIES

- 01 AI & Generative Intelligence**  
Production agentic AI, RAG architectures and Gen AI copilots. One deployed agent handles 50K+ daily interactions across web, app and SMS.
- 02 Cloud & Platform Engineering**  
AWS GovCloud and Azure Government migrations, Kubernetes and U.S. data-residency architectures. NIST 800-53 framework active.
- 03 Civic Mobile & Web Portals**  
Citizen-facing iOS/Android apps and WCAG 2.2AA portals — 311, transit, DMV, parks, emergency notifications, constituent engagement.
- 04 Enterprise Applications**  
Microsoft Dynamics 365, ServiceNow ITSM/CSM/GRC for government, SAP integrations and Salesforce Public Sector Solutions.
- 05 Data, Analytics & Modernization**  
Legacy system replacement, data-lake architectures, real-time analytics dashboards and natural-language business intelligence.
- 06 SLED Bid & Tender Intelligence**  
Tender analysis, compliance auditing, proposal writing, capability-statement preparation and submission engineering — all under mutual NDA.

## SELECTED PAST PERFORMANCE

- Macomb Community College — RFQ Q1971**  
EDU SLED · USA  
AV equipment bid in intelligence and submission engineering — decoded, audited and benchmarked into a submission-ready package in 72 hours, under NDA.
- Kansas City KS Public Schools — RFP 26-003**  
K-12 SLED · USA  
Districtwide data-dash board bid in intelligence across seven data domains, mapped to a 125-point evaluation and a 5-year TCQ, under NDA.
- Enterprise delivery at scale**  
COMMERCIAL  
Production engineering for Coinbase, DHL, STC and FirstData. ISO 9000-aligned QMS, HIPAA and PCI-DSS-ready in infrastructure.

## WHY APPSGENII

- AI in production**  
Agentic AI deployed at scale — one service agent replaced 180 live agents. Running systems, not slideware.
- We own products, not billable hours**  
Our own platforms — PACT ERP and QuickHCM — run across 1,000+ users. We build software, not just staff it.
- Government-grade delivery**  
Regulated, compliance-bound delivery for environments where mistakes have consequences.
- U.S. contracting + global delivery**  
Wyoming C-Corp, Dallas HQ, 585 engineers across six countries — U.S.-contractable with global capacity.
